Please remember concert black! We haven't been great about the concert black, please stay away from the inside out black t-shirt and jeans. If in doubt, please ask ahead of time. I will post the location of lunch in Discord, there are several locations to choose from, and you will need to bring money. It is important that you stay in groups at all times, and keep an eye on the clock. As always, it will be expected that you are cordial to anyone you have contact with that day, as we are judged as a group for our actions, and represent our city and school!!

Looking forward -
